# Fifty-fourth Annual Report

OF THE

# Paignton & District Hospital

For the Year ending 31st December, 1944.

---

*The Hospital is open to all persons residing within the Parishes of Paignton, Stoke Gabriel, Galmpton, and Marldon, and to all meeting with accidents within the boundaries of these Parishes, those able to do so paying for or towards the expenses of their maintenance at the Hospital.*

---

## CHAIRMAN'S REPORT

---

"The Committee view the coming year as one of reconstruction and hard work, and look forward to a renewed and increasing interest in your Hospital in which they serve."

This is an extract from last year's Report, and the forecast has been fully realized. The year ending December, 1944, has been one of untiring effort on the part of all concerned for the patients in the Hospital. The work has increased in all departments, and more patients have been admitted than in any previous year.

The Maternity Department has been unusually busy—admitting not only the local residents, but also co-operating with the County Authorities in the Government's Evacuation Scheme.

There is great demand for Hospital accommodation, and we have a waiting list. All this goes to prove that the Hospital is too small for its present needs, and we should keep the idea of a new Hospital ever before us.

We have not yet been able to bring about affiliation to a Training Hospital—for the same reason : our inability at present to increase the number of our Beds.

During the year a special Sub-Committee, under the Chairmanship of the President, was appointed to consider the survey carried out by the Nuffield Provincial Hospitals Trust at the invitation of the Devon Divisional Hospitals Council.

The findings of this Committee are thought to be sufficiently interesting to justify their inclusion in this Report. The Committee was unanimous :—

"In rejecting as impracticable, inconvenient and uneconomic any proposal involving the transportation of the considerable population of Paignton to Brixham for in-patient

treatment. Paignton is the natural centre of outlying districts already grouped around it, and any attempt to take the 'mountain to Mahomet' would be purely wasteful.

"In regarding as essential the building in Paignton of a new and bigger Hospital (to become a War Memorial), not as a competitor of any other Hospital, but to provide for its increasing population and the districts grouped around it, and in order effectively to carry out the proposals of a National Health Service."

Much thought has been given during the year to the Government's new National Health Scheme.

The Committee authorized the distribution locally of two leaflets indicating the Voluntary Hospital point of view. The position is still fluid, and we sincerely hope that the new Government Bill, when it is published, will contain necessary amendments and so enable the Voluntary Hospitals to co-operate fully, as it is their genuine and expressed wish to do.

As Chairman of the Committee, during the year, I have noticed with profound satisfaction the increasing interest shown by the public in our Hospital. The offers of help and assistance of every kind have been at times almost overwhelming, and the Committee are extremely grateful.

We record our warmest thanks for the tremendous help received from the Paignton Contributory Scheme, whose contributions have reached a record height of £1,650. The Contributory Scheme's Committee and helpers are to be congratulated on such a satisfactory result. Special attention should be drawn to the gift of £208 from the Torbay Country Golf Club as a result of a competition held for the Annual Hospital Cup. Over £600 has been raised in this way, and the Committee deeply appreciate this very fine effort.

Our thanks, too, are due to Mr. J. Sutton, who once again organized the Alexandra Rose Day collection, and his fine effort resulted in a record sum of £320 0s. 1d. From this a donation of £10 each was given to the Nursing Association and the St. John Ambulance Association. During the "Salute the Soldier" Week, War Savings Certificates were given by the Manor Street Group, Messrs. Holman, Ham & Co., and Mr. Theobald. I would like to express the Committee's appreciation for the above, as well as to Miss Bradford and Miss Mutton for their interest in forming a War Savings Group within the Hospital.

During the year the following legacies have been received and invested :—

Mr. Henry Broderick—£125 (on account).

Mrs. Patricia Crossing—£50.

Rev. Philip Cudmore—£761 14s. 10d.

The receipt of the latter legacy has enabled the Trustees to pay off the Loan on the Nurses' Hostel, amounting to £311 9s. 9d., and the balance has been invested.

We were sorry to lose the services of Rev. B. M. Dale, who was the Hon. Chaplain of the Hospital, a member of the Committee, and a Trustee.

Two new Trustees were appointed during the year :—Mr. F. L. Green and Rev. A. Harrington.

Three new members were elected to the Management Committee :—Mrs. Hiley, Mr. H. D. Foale, Mr. H. H. Fielding and Mr. F. W. Tully.

We owe a very deep debt of gratitude to the following :—The Medical Staff (Honorary and Consultant) for their skilful services rendered ungrudgingly throughout the year. To Dr. Campbell, for the lectures he has given to the Nursing Staff. The Matron for her excellent efforts, which resulted in a most successful first year. She has shown in a marked degree her powers of obtaining a most happy atmosphere in the Hospital, and the loyal support of all concerned.

The Nursing Staff for their skill and patience in dealing with the sick, so many of whom have expressed their deep appreciation. The Domestic Staff for loyalty in their work of such vital importance.

The Ladies' Linen Guild for their continued interest in the Hospital of such a practicable kind, resulting in a record year by obtaining over 700 articles as gifts for the Hospital.

The Members of the Ambulance and Nursing Divisions of the St. John Ambulance Brigade and the Red Cross, for their services throughout the year.

The Hospital Extension Whist Drive, for the much-appreciated results of their continued efforts.

The Box Secretary, Mr. A. S. Williams, for his most successful effort and for the keen interest he takes in furthering the work of the Hospital.

The Honorary Auditors, Messrs. Fieldings, for their generous help in auditing our Accounts, and their continued courtesy and kindness.

The Press, for their willingness to allow us to use their most valued publicity.

The Clergy, for their constant care of the spiritual welfare of the patients.

The Secretary—last, but not least—who, with meticulous care, manages so skilfully the administrative work, thus contributing largely to the success of the Hospital.

There are others, too, whom we would like to add to this list of generous helpers, but space in this Report, unlike our appreciation, is limited. We thank all helpers most warmly, and invite the furtherance of such generous aid in the finest cause of all—the Healing of the Sick.

**Chairman.**

# Fifty-fourth Annual Report

OF THE

# Paignton & District Hospital

For the Year ending 31st December, 1944.

---

*The Hospital is open to all persons residing within the Parishes of Paignton, Stoke Gabriel, Galmpton, and Marldon, and to all meeting with accidents within the boundaries of these Parishes, those able to do so paying for or towards the expenses of their maintenance at the Hospital.*

---

## CHAIRMAN'S REPORT

---

"The Committee view the coming year as one of reconstruction and hard work, and look forward to a renewed and increasing interest in your Hospital in which they serve."

This is an extract from last year's Report, and the forecast has been fully realized. The year ending December, 1944, has been one of untiring effort on the part of all concerned for the patients in the Hospital. The work has increased in all departments, and more patients have been admitted than in any previous year.

The Maternity Department has been unusually busy—admitting not only the local residents, but also co-operating with the County Authorities in the Government's Evacuation Scheme.

There is great demand for Hospital accommodation, and we have a waiting list. All this goes to prove that the Hospital is too small for its present needs, and we should keep the idea of a new Hospital ever before us.

We have not yet been able to bring about affiliation to a Training Hospital—for the same reason: our inability at present to increase the number of our Beds..

During the year a special Sub-Committee, under the Chairmanship of the President, was appointed to consider the survey carried out by the Nuffield Provincial Hospitals Trust at the invitation of the Devon Divisional Hospitals Council.

The findings of this Committee are thought to be sufficiently interesting to justify their inclusion in this Report. The Committee was unanimous :—

"In rejecting as impracticable, inconvenient and uneconomic any proposal involving the transportation of the considerable population of Paignton to Brixham for in-patient
